

IT'S MORE THAN POWER. IT'S PEACE OF MIND.  
**PROPANE STANDBY GENERATORS**

GIVE HOMEOWNERS COMFORT, SECURITY, AND SAFETY WITH A PROPANE STANDBY GENERATOR.

**5 DAYS**  
— OF POWER —

From a 7kW generator drawing from a 250-gallon propane tank.

**10**   
**SECONDS**

For the generator to start automatically after a main power interruption.

— UP TO —  
**1/3**  
LESS GENERATOR

By using propane for more of your home energy needs, you can reduce the size and cost of your standby generator by up to a third, or even more.

SPACE HEATING

CLOTHES DRYING

WATER HEATING

RANGES & OVENS

FIREPLACES

**ZERO**

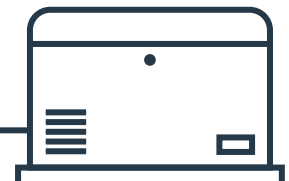

FUEL DEGRADATION

Over time unlike gasoline or diesel.

— ONLY —

**60**   
**DECIBELS**  
**OF NOISE PRODUCED**

The same as a normal conversation.
